

## Camp Yowochas Activity Guide

# WIDE GAME

Wide games are an all camp favourite here at Camp Yowochas. These games are usually played in a forested area and involve a large number of players, often the total group. Some of our favourites include Capture the Flag, Mission Impossible, Survival and Potions.

### PROGRAM SPECIFICS

- Minimum 15 participants
- Well suited for all ages
- Led by a trained Camp Yowochas staff member
- Available year-round
- Games can only be played in daylight
- There is a number of wide games to choose from

### SAFETY CONSIDERATIONS

Closed toed shoes are mandatory. Participants will be instructed of all rules before the activity begins and clear boundaries will be established. In all wide games there is a central home base for participants to go to if they need assistance.
